Inquiries for the difficulty scores will be allowed, if they will be made verbally, immediately after the publication of the score or at the very latest before the end of the routine of the following athlete. For the last athlete of a rotation (rotation=group of athletes, for example 1st Group of athletes during the competition, this is called "rotation"), this limit is one minute after the score is shown on the scoreboard. The person designated to receive the verbal inquiry will have to note the time of receiving it and this will start the procedure. Only the accredited coaches present in the competition area will be entitled to submit an inquiry. Late verbal inquiries will be rejected.

A federation will not be allowed to complain against an athlete from another federation. The inquiry will have to be confirmed as soon as possible in writing, but within 4 minutes at the latest after the verbal inquiry and will require an agreement of payment of EUR 150—for the first complaint, EUR 300 — for the second complaint and EUR 600— for the third complaint. Should the inquiry not be confirmed in writing within 4 minutes, then the procedure will become obsolete.

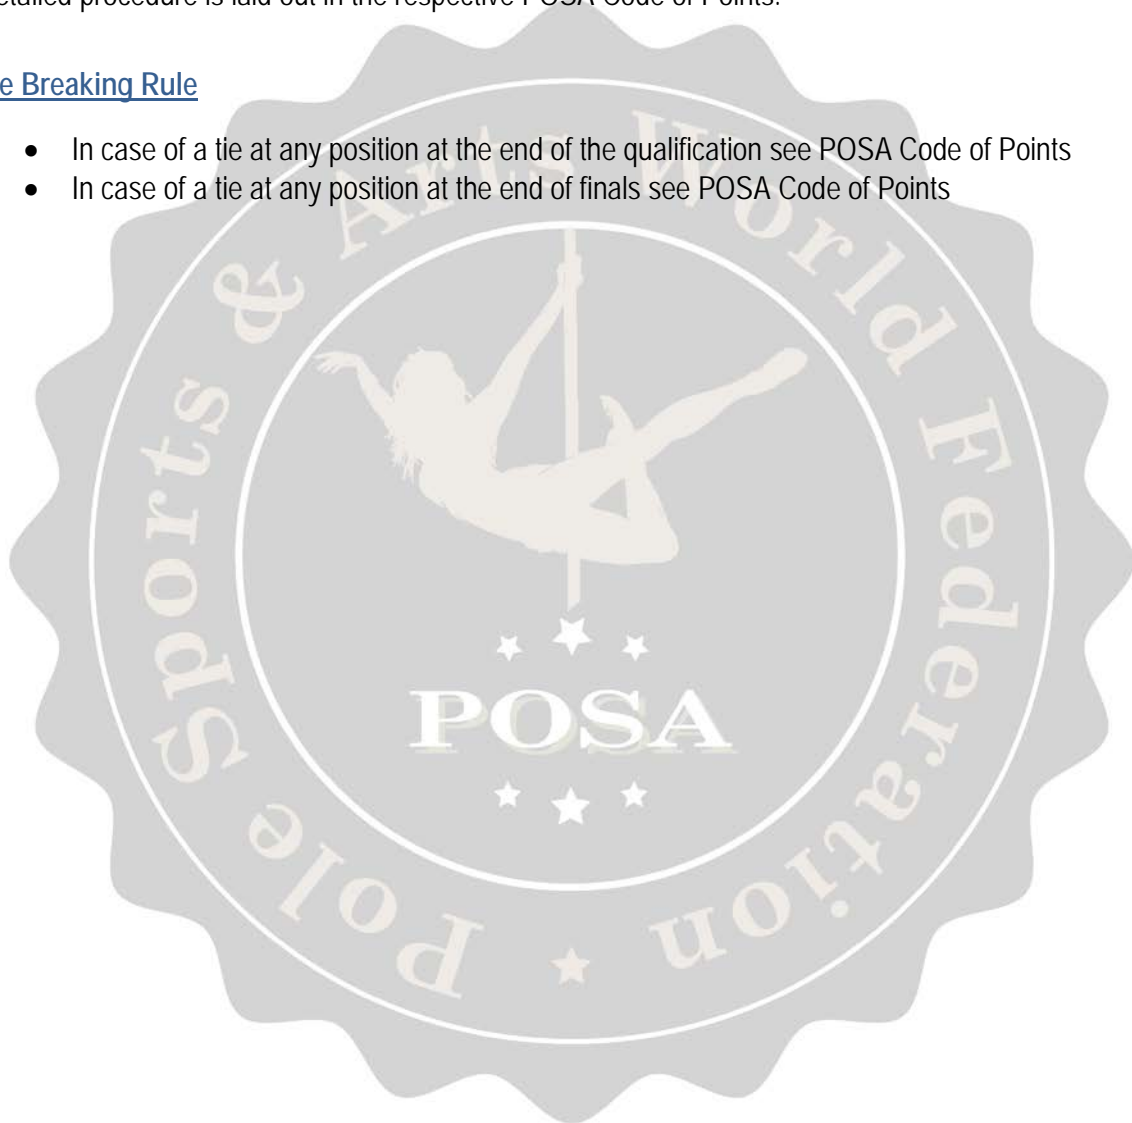

Should the inquiry prove correct and be accepted, this sum will be reimbursed. Every inquiry will be examined by the Superior Jury and a final decision, which may not be appealed, will be taken at the very latest:

- At the end of the rotation for the qualifying competitions, or at the end of all around competitions.
- Before the score of the following athlete is shown for the finals.
